

Fruit, Vegetable and Water Policy

Rationale:

Footscray West Primary School supports students to establish healthy eating habits whilst at school, through a designated break, where they can eat fruit or vegetables, and drink water in the classroom.

Aims:

- Increase student awareness of the importance of consuming fruit, vegetables and water;
- Encourage students and staff to consume fruit/vegetables during an allocated Fruit and Vegetable break in the classroom;
- Encourage students, teachers and staff to drink water throughout the day in the classroom and during break times, sports, excursions and camps;
- Encourage parents to provide students with fruit/vegetables for the break.

Implementation:

Teachers will:

- Set a fruit and vegetable break time each day in the morning or afternoon, ideally at 10am and/or 12.30pm.
- Encourage students to eat a piece of fruit or vegetable in the classroom during the designated break.
- Encourage students to drink a bottle of water in the classroom throughout the day.

Guidelines for the consumption of fruit, vegetables and water:

Fruit and Vegetables

- Only fresh fruit and vegetables are to be consumed

Water

- Only plain water is to be consumed in the classroom.

Sport

- All students will be encouraged to drink water during PE and sports classes.

Camps and Excursions

- All students will be encouraged to bring an individual water bottle for all camps and excursions.

Occupational Health and Safety

- Water bottles are to be washed regularly;
- Students will be informed of the importance of not sharing their bottles with anyone else.

Evaluation:

- This policy will be reviewed as part of the school's four year policy review cycle.
